

CORPORATE SOCIAL RESPONSIBILITY

- Nordic Bulk is committed to contributing to sustainable development. Customers, suppliers and the world at large can rely on us. We take work on issues relating to social responsibility seriously.
- Our core values of openness, honesty and cooperation as well as our policies and guidelines build on the UN Universal Declaration of Human Rights and the 10 principles of UN Global Compact as well as International labour standards according to the ILO conventions.
- Social responsibility involves remaining sensitive to the needs of local communities and aware of the impact our operations have upon them. It means maintaining an open dialogue and responding with local measures. It also means showing respect for, and building upon, local cultures and traditions.
- Nordic Bulk does not accept any behavior that conflicts with basic human rights including any form of harassment, discrimination, threatening or inappropriate behavior. The organization embraces the dignity of all human beings and respect human rights. At the core of this is including freedom of association, right to collective bargaining, and avoiding the use of forced or child labor.
