

QUALITY POLICY

- Nordic Bulk will keep quality as a focus in every segment of our organization, and our projects shall always be completed with the highest possible degree of service.
- Nordic Bulk will provide services in accordance with relevant legislation, requirements, and standards, while living up to our vision to challenge the way we do our tasks.
- This defines the culture in Nordic Bulk. We create trust by delivering according to scope and a bit more, and we will achieve our goals by continuous improvement of our systems and processes.
